

Twist Teas Ethos

Ethical Sourcing

All suppliers are carefully screened and have a proven track record of quality and systems management (including ISO accreditation)

Sustainability

Sustainability sits at the very core of Twist Teas. All of our teabags are plastic free and compostable, all our packaging is recyclable, and we are FCA approved

Employee Welfare

We are a living wage accredited business and have 10 employees working with us as part of the government Kickstart Scheme, designed to give young people their first steps into work

Charity

We have committed 10% of all gross profits to Peterson's Fund For Children, a UK based charity run by Charlene Peterson who ensures that all donations go directly towards enriching the lives of children with physical and mental disabilities

Twist Teas Provenance

Twist Teas has the highest quality ingredients sourced from 130 estates worldwide including, Assam and Darjeeling from India, Green tea from China and Japan and herbs such as hibiscus and fennel from Egypt. Our supplier is SALSA certified and a member of SEDEX (an organisation for managing and improving working conditions globally, e.g. labour standards, H&S, environment an business ethics)

Certified Provenance

All teas are 100% natural and tested against pesticides. We have full traceability of every ingredient in every blend, back to source.

Quality Assurance

All new batch ingredients are visually screened and tasted on delivery. Quality Assurance includes moisture level, EU pesticide and heavy metal regulations, microbes, leaf style and taste.
